**Memorandum of Understanding between Sentinel Primary School and Hangberg Educational Trust regarding donation and management of new infra-structure.**

Hangberg Educational Trust ("HET") wishes to build and donate the complete infrastructure to house a pre-primary school to Sentinel Primary School. The intended purpose is to mainly serve as a quality pre-school facility and after-care facility for the socio-economic disadvantaged children of Hangberg and surroundings.

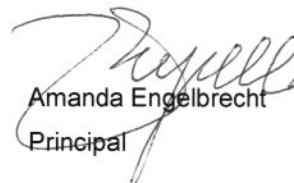

The agreed understanding of this donation is as follows:

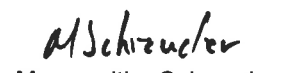

- HET will manage the pre-school and after-care facility on behalf of the SGB of Sentinel Primary School
- The school will be managed as a Non-Profit Organisation, in line with HET's constitution.
- The facility will comply with Department of Social Development's pre-school facility requirements at all times; especially regarding safety, staffing, curriculum, hygiene and facilities.
- HET will ensure that the financial management of the facility is sound and sustainable.
- HET will present audited financial statements of the pre-school within six months after year-end (aligned with Sentinel Primary School's year-end) to the School Governing Body.
- HET will reimburse Sentinel Primary School for all service- and utility costs incurred relating to the pre-school and aftercare infra-structure.
- HET will be responsible for the maintenance and upkeep of the building.
- HET will provide all furniture and learning materials required to run the pre-school and after-care.
- HET will have one member representing the pre-school on the School Governing Body as an observer and voting member only when matters pertaining to the Hangberg Pre-Primary School are voted on.
