- 2.2 The school governing body of Sentinel Primary School approved the proposal for the project with gratitude and gave the Trust the authority to manage the building of the school in line with the Memorandum of Understanding between the SGB and the Hangberg Educational Trust, Flagged D.
- 2.2 The project will be entirely funded and independently run by the Trust.
- 2.3 Sentinel Primary School will benefit from the facilities the project will offer, inter alia, an aftercare facility for Foundation Phase learners (no aftercare facilities currently exist for these children), an auditorium, a garage for the school bus and live-in accommodation, which means that someone will be permanently on the grounds.
