2016 HET DINNER – THANK YOU, THANK YOU, THANK YOU

The 5th HET Dinner-Dance was a wonderful evening which broke all our previous records of support, attendance and funds raised. With the attendance of 233 big-hearted guests [2015: 220 guests] the team was able to raise just over **R250 000** [2015: R175 000] towards the R350 000 school construction shortfall. A big shout of thanks to our kind sponsors that made this possible with their generous donations of 113 items [2015: 67 items] and more than 120 wine bottles [2015: 104 wine bottles].

Support-a-child challenge launched Mr André Cheminais put out a challenge to all at the dinner to sponsor a child for a year at **R4 000 per annum** and pledged support for 3 children. A further four pledges were received on the evening totaling seven pledges (R28 000). Anyone keen to take up the challenge can contact the team per email address below. And thank you to Mr Cheminais for starting this initiative.

With graceful gratefulness to each and everyone that is helping make **magic** happen in our beautiful country for its special children. Watch the magic here: <https://vimeo.com/178750073>
