

Thank You – You make magic happen!

THE 2013 VISION... In line with the Trust's 3 year vision to provide pre-school infrastructure to 300 children in Hangberg, HET started its first Grade R class on 21 July 2014. The class started in a classroom on loan from the local primary school, *Sentinel Primary School*, with nine little boys. By the end of 2014, 24 children were enrolled. A second Grade R class was opened on 19 January 2015. The 85 inscriptions far exceeded capacity for 60 children... which reconfirms the deep need for quality pre-school infrastructure in this community.
