

HET 2017 DINNER: THANK YOU!

The successful 6th HET Annual Dinner Dance was held at Suikerbossie Restaurant on 11 August 2017 with just under 200 guests attending [2016: 233 guests]. It was organised by a team of HET volunteers lead by Karen Temlett and raised R190 000 [2016: R250 000, 2015: R175 000]. It was an uplifting evening in celebration of the amazing achievement of the last year: a new pre-primary school building in Hangberg and now a happy, safe, well managed haven for 109 pre-school children.

A big shout of thanks to our kind sponsors and supporters that made this evening and new school possible.

Wayne McKay kept guests on their toes, musician Guy Feldman and DJ Archie ensured that guests danced until the wee hours of the morning. Suikerbossie Restaurant's service and fare was from the heavens and spot on time. Further, a R50 000 cheque handover from Rotary Club Am Kap¹'s president Carole Armstrong-Hooper marked the club's continued support of the school. Most importantly, the dinner allowed time for many old acquaintances from our Valley to be rekindled.

¹ Rotary Am Kap and its German friends have been the key funders of the new school building by raising R3.5million of the total R5.5million construction spend.

Sponsor-a-child? As at August 2017 Hangberg Pre-Primary School has 109 children aged four to six years with 14 employed staff members from the local community. The current school fee of R400pm includes quality teaching from 7:30 until 14:30 and two cooked meals (Friday school closes at 12:00). Aftercare until 18:00 is available at an additional R200pm. We are currently in the process of registering for government subsidies to help cover the running costs shortfall of R40 000pm to make the school financially sustainable. However the registration process is tedious and no subsidies are expected before 2019. Watch the magic here: <https://vimeo.com/229482537>.

Sponsorship: Once-off R4 000 or R400pm x 10 months
